

Parent Toddler Fun Time

Be your child's first teacher! Join us for a five week program for toddlers and their parents and caregivers.

This workshop features local professionals and emphasizes the role of parents as the first teachers of their children. Learn about early intervention, teaching strategies for healthy child development and encouraging early literacy.

Registration Required. To register, stop by the Children's department or call 713 477-0276.

Children's Program | Central Library

Starting Wednesday, January 13, 2014
